EXCEPTIONAL BEAUTY WITH MODERN PRACTICALITY

MAKE IT PERSONAL

Our FrameWorks Color Collection will change the way you think about your windows and patio doors. Not only must they have superior functionality – but also a depth of style that enhances the appearance of your home from every angle. With colors ranging from subtle palettes to bold contrasts, FrameWorks inspires a refreshing design perspective that lets you give your home your personal touch.

EVER STYLISH, EVER STRONG

While FrameWorks captures your attention with impressive style, it also delivers superior performance.

The interior woodgrain laminate finishes are expertly crafted for outstanding durability that maintains its attractive appearance over the life of the product. Ultra-premium exterior colors are achieved with a cutting-edge polyurethane coating technology incorporating heat-reflective pigments to ensure a remarkably strong and fade-resistant finish that's easy to clean.

- Luxurious colors for greater design options
- Matte texture for universal appeal
- UV-resistant for superior color retention
- Heat-reflective pigments and adhesion-promoting additives inhibit heat gain on dark colors
- Highly weatherable, durable and robust
- Stands up strong to intense heat and cold
- Excellent resistance to dirt, chemicals and environmental pollutants
- Resists damage from salt air in seaside climates

PREMIER COLOR TECHNOLOGY

Superior performance and endurance are built in, thanks to state-of-the-art color chemistry and technology. Every color in FrameWorks' curated palette incorporates a heavy-duty factory finish that's specially formulated to resist the challenges of time and nature – ensuring the beautiful appearance lasts and lasts. From bold English Red to high-style Black, choose darker colors with confidence!

POLYURETHANE COATING TECHNOLOGY

EASY CARE, EASY CLEAN

When you consider the time and expense of painting and maintaining wood windows year after year, you'll see why FrameWorks is a smart choice. Built with a resilient color formulation, FrameWorks requires minimal upkeep. Just wipe with a damp cloth or use simple household cleaners to remove most dust and dirt and restore your windows' like-new beauty.

GREEN INSPIRATION

Aside proudly offers a wide selection of energy-efficient windows and patio doors to help reduce the consumption of fossil fuels for heating and cooling homes.[†] Using less energy to heat and cool your home not only saves money, it can reduce your home's carbon footprint as well. Vinyl's long lifespan and low maintenance nature can further lessen your impact on the environment as no painting, staining or other maintenance-related products are needed.
